GRAVITY
BUDGET REPORTING

VISIBILITY BEYOND ADOPTION

Adopting the budget is only the beginning. Gravity gives finance teams the tools to track, analyze, and report on performance throughout the fiscal year. Whether you are preparing a mid-year review, adjusting for new priorities, or answering departmental questions, everything you need is connected and ready.

REAL-TIME INSIGHT INTO BUDGET PERFORMANCE

With Gravity, your adopted budget, actuals, and historical data are all stored in the same structured environment. That means your reports are always accurate, always aligned, and always ready when leadership needs answers.

WHAT YOU CAN EXPECT

- Compare budget to actuals in real time across funds, departments, and periods
- Prepare mid-year reports and amendments
- Track departmental performance and communicate clearly across the organization
- Avoid manual exports and reconciliations by pulling data directly from your ERP
- Maintain consistency across internal reports, external updates, and public summaries

TRUSTED AND PROVEN

Used by over 230 governments across 43 states

10+ years helping governments modernize their financial reporting

$310+ billion annual financial managed and reported with Gravity

80+ million citizens served

ERP INTEGRATION AND DATA UPLOAD

Gravity supports direct connections to your ERP or spreadsheet-based uploads. Your reporting stays clean, current, and connected regardless of how you collect your actuals.

MDFM: BUILT TO EVOLVE WITH YOUR BUDGET

Gravity's Multidimensional Financial Model links actuals, budget, and prior-year data across every dimension. When figures change, your charts, summaries, and performance metrics update automatically.

DISCLOSURE STUDIO: PUBLISH BUDGET UPDATES WITH PRECISION

Turn your mid-year reports, amendments, or performance updates into polished, shareable documents. With Disclosure Studio, every table, chart, and narrative remains connected to live data, allowing you to report clearly and confidently without manual formatting.

"With Gravity, we can see exactly where we stand at any point in the year. We spend less time compiling reports and more time making informed decisions."

— **Budget Manager, City of Rochester Hills, MI**
