

GRAVITY

FINANCIAL DISCLOSURE AND REPORTING

THE FINAL MILE OF GOVERNMENT FINANCE

Financial disclosures are where everything comes together. It's where data becomes story, strategy becomes accountability, and leadership becomes trust. Gravity was built for this final mile, transforming how public sector teams manage, publish, and communicate financial information.

From the ACFR to the PAFR, from monthly updates to federal reports, Gravity helps your team move beyond spreadsheets and formatting constraints into a future defined by structure, confidence, and clarity.

ONE PLATFORM. MANY REPORTS. TOTAL CONTROL

Gravity unifies your reporting process across formats, requirements, and audiences:

- ACFR: Comprehensive, audit-ready annual reporting with compliance built in
- PAFR: Citizen-facing summaries that improve public understanding and trust
- Recurring Reports: Monthly and quarterly disclosures with dynamic updates and fast publishing

RESULTS YOU CAN EXPECT

- Save time across monthly, quarterly, and annual reporting cycles
- Reduce manual formatting and eliminate version control issues
- Publish ADA-compliant, audit-ready reports with consistency and ease
- Improve accuracy and visibility with structured data and built-in validation
- Maintain reporting quality during team transitions
- Track progress and approvals in one secure, collaborative workspace

MDFM: YOUR DATA STRUCTURED TO WORK

Gravity's Multidimensional Financial Model brings all your financial data together and keeps it aligned. No rekeying. No manual linking. One consistent structure where every number flows exactly where it belongs.

ERP Ready and Flexible

Gravity integrates with your ERP or any other record system and accepts direct file uploads, giving you full control over how data flows into your reports.

DISCLOSURE STUDIO: BUILT FOR FINANCE, NOT DESIGNERS

Disclosure Studio gives finance teams complete control over the layout and content of their reports. Add charts, tables, and narrative, all connected to live data, and publish your ACFR, monthly, or quarterly reports with ease.

"We're finally working the way we should be working. Gravity gave us structure, saved us time, and helped us deliver a report we're proud of."

– Kelly Jones, Assistant Director of Finance and Accounting, Collier County, FL
